Re: Tosco Experimental
Shaft. ACT/047/001

Dear Mr. Spence:

As I described to Mr. Johnson by telephone on August 1st, the Board of Oil, Gas, and Mining did not concur with the Division recommendation that tentative approval be issued to this project under the Utah Mined Land Reclamation Act. This determination was made by the Board at its July 25, 1978 executive meeting.

Essentially, the Board wants more information on how water encountered in the shaft sinking with particular reference to the prevention of the co-mingling of fluids.

As you know, Tosco is set up to meet the Board on August 22 at 3:00 P.M. to brief the Board on this project.

Please call if you have any questions.

Sincerely,

RONALD W. DANIELS
